SUBJECT: Amendment to Foreign Agents Registration Act of 1938
(H.R.1333)

25X1

1. On 1 August 1989 the undersigned provided a preliminary review and comment on the above described legislation, an amendment to the Foreign Agents Registration Act of 1938 designed to strengthen the registration and enforcement requirements of the Act. There is nothing in the legislation that directly affects the acquisition process. Because the legislation may have some impact on the security determinations as to whether given corporations are foreign-owned, a copy of the legislation has been provided to DC/SS/OL. This legislation does not require close attention by OCA.
